

Family wants to keep their loved ones' bodies intact?

Reality:

- The clinical team would give full respect to the deceased donor and care of the body image throughout the entire process of retrieving the donated organs

The deceased did not express his / her wish to donate organs?

Reality:

- It is easy to register your wish! Register now!

www.codr.gov.hk

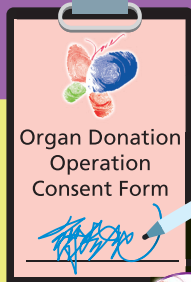

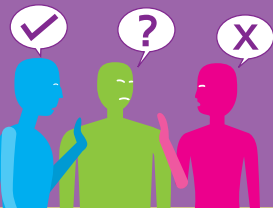

How to make your family respect your wish to donate organs?

- Most religions support organ donation

No family consensus?

I do not need to think about organ donation?

Reality:

- Family's written consent is required before organ donation
- You should grasp the chance to share your wish with your family

Reality:

- More than 2000 patients are waiting for organ transplant every day
- Support organ donation and rekindle the lives of others
